ANNOUNCEMENT!

Pending the outcome of the present labor situation, we have decided to suspend our "public call" which has been held at \$:30 o'clock every evening. We are prompted to do this as the public mind is centered upon the sirike situation and the uncertainty of its settlement and, there are thinking more of their immediate processition without the sirike situation and the uncertainty of its settlement and, there are thinking more of their immediate necessities rather 11 ... aution.

We believe the present labor dispute will soon be amicably settied. There is one much at stake for differences to exist long. The public call is a great success and under ordinarry conditions Tonopah will make the quotations for New York and San Francisco.

We have come to Tonopah to stay; we believe the future of the so far developed has shown such extensive high grade ore in so short a time,
